Innovative packaging solutions

fresh meat

ready meals

cold food and snacks

Faerch Plast offers far more than just packaging. For us, a competitive price, quality, and punctual deliveries are a matter of course.

We want you to regard Faerch Plast as your partner, a company that through its experience, consultancy, development, and service, contributes to strengthening your products and your business position.

We offer packaging solutions to the food industry and the retail sector throughout Europe, and we are constantly following up on any new technical opportunities, market trends and changing consumer behaviour.

Faerch Plast's primary strength is packaging solutions for fresh meat, cold food, snacks, ambient products, together with ready meals for heating directly from the fridge or freezer.

We are continually expanding our product range, that consists of trays and containers, with and without lids, in a wide variety of colours and designs. If you are looking to increase product exposure or to simplify your production process, we will accept the challenge. We develop new solutions in close collaboration with our customers and partners to ensure the best possible result.

Our holistic philosophy for packaging solutions also covers hygiene and the environment. The choice of raw materials, production, energy consumption and staff conditions, are afforded equal priority as is given to the products we package.

Faerch Plast is BRC/IOP accredited for its hygiene standards and has also received ISO 9001 accreditation for Quality, ISO 14001 for Environment, and OHSAS 18001 for Working Environment.

As your packaging partner, we look forward to working together in a productive, and mutually beneficial collaboration.

Trays produced by Faerch Plast can be supplied in a wide range of colours. The colours of the trays in this catalogue should be seen as an illustration of what can be achieved, but we can also match new colours requested by our customers (subject to minimum quantities). Please note that only production samples provide an accurate example of the achievable colour.

DK

Bakker produceret af Færch Plast kan leveres i en lang række forskellige farver. Farverne på bakkerne i dette katalog skal ses som en illustration af, hvad der er til rådighed, men vi kan også matche nye farver efter kundeønske (baseret på en minimumsmængde). Bemærk venligst, at kun produktionsprøver giver en nøjagtig gengivelse af den farve, vi kan levere.

D

Schalen von Faerch Plast sind in einer großen Auswahl von Farben lieferbar. Die Farben der Schalen in diesem Katalog sollen veranschaulichen, was sich erreichen lässt – wir können jedoch auch neue Farben an die Wünsche unserer Kunden anpassen (ab einer Mindestmenge). Bitte beachten Sie, dass eine präzise Beurteilung der erreichbaren Farben nur anhand von Warenmustern möglich ist.

F

Les emballages produits par Faerch Plast peuvent être fournis dans une large gamme de couleurs. Les couleurs des emballages dans ce catalogue doivent être considérées comme une illustration de ce que l'on peut réaliser, mais il est également possible de satisfaire à de nouvelles exigences de couleurs de la part de nos clients (sous réserve de quantités minimums). Veuillez noter que seuls les échantillons de production fournissent un exemple exact de la couleur réalisable.

ES

Las bandejas que produce Faerch Plast pueden suministrarse en una amplia variedad de colores. Los colores de las bandejas que se presentan en este catálogo sirven de ilustración de lo que se puede conseguir, aunque también podemos realizar otras combinaciones de colores a petición del cliente (sujeto a unas cantidades mínimas). Observe que solo las muestras de producción pueden ofrecer una idea precisa del color que se puede conseguir.
