Thermo BAG

Do your customers like it hot?! Then our Thermo Bag is exactly right for you and for all those who want to enjoy their warm snack while it's still warm.

Snack temperature lost over time:

— Thermo Bag
— Aluminium foil
..... conventional packaging

Trials performed with a HSG from Elektrolux at 50 ± 250°C and a RS K-Type 1319 A Thermometer

Thermo-effect: Due to the double-layer feature with grease resistant and wet strength material, your snack remains warm

The **tear-off perforation** allows for secure opening and convenient consuming

The Thermo Bag is available in the variations **Pure Paper** or **Fifty Fifty**

Printed with **water-based colours**

The Thermo Bag keeps your snack as warm **as aluminium foil** does.

With Thermo Bag, your snack remains **crispy** and delicious!
